

Savile Park Primary School Newsletter

Good bye to our Headteacher

We all know it is time to say Good bye to our very dear Mrs. Karen Lomas. She is travelling to Nepal to do some very meaningful charity work and we certainly wish her the very best in the future. We hope she will keep visiting us from time to time as all the children and staff will miss her very much.

Mrs. Lomas has been associated with Savile Park Primary school for over 12 years. Today our school shines on an 'outstanding' level and it has been possible because of a very hardworking and dedicated team of staff and children all working together under the superb leadership of Mrs. Karen Lomas. We would like to take this opportunity to say a very big THANKYOU :) for everything she does.

Mrs. Lomas will be very much missed for her guidance, support and love and those very reassuring hugs!

Good bye to Mrs. Sue Mansley

Our very dear Mrs. Sue Mansley is due to retire this summer and although it makes us very sad to see her go we would like to wish her the very best for the future. Mrs. Mansley is very popular amongst the children and has done so much to enhance children's reading skills: her Book club is loved by the children; the reading badges have continued to be a source of motivation for children to read more and more; she has been an outstanding ECAR teacher. She is truly one of the kindest of people and we wish her the best in all her endeavours!

Rebekah Vickers

We would like to wish Mrs. Rebecca Vickers all the very best as she is leaving us to have a baby. How exciting is that! We will miss her dearly!

Year 6 prize winners

It is always a delight to share news about our very talented children. We always encourage children at Savile Park to get into the habit of reading. 10 children from Year 6 recently went to the Town Hall to take part in the Calderdale Children's Book of the Year event. 6 of the children won prizes for their book reviews. Ramisha Suleman wrote such an excellent review of the book called 'FireGirl' that the author Matt Ralphs himself tweeted on how happy he was to read her beautifully written review.
