

Savile Park Primary Sports Funding 2016 – 2017: PE and Sports Premium

What is Primary Sports Funding?

The government gives extra funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money. For example, the funding can be used to:

- Hire specialist PE teachers
- Hire qualified sports coaches to work with teachers
- Provide existing staff with teaching resources to help them teach PE and sport
- Support and involve the least active children by running or extending school sports clubs.
- Run sport competitions or increase pupils' participation in the School Games
- Run sports activities with other schools

How will we be spending the PE & Sports Funding and who will benefit?

The Governors at Savile Park Primary School agree that the money must be used so that: all children benefit regardless of sporting ability; that staff have access to training opportunities and continued professional development and to assist in the development of the sports curriculum across the school. Ensuring the money is spent on initiatives which will have a long lasting impact on the future learning and physical development of children within our school.

What are we spending it on in 2016 -2017?

Initiative	Anticipated cost	Planned impact	Review to date
