

BROOKE

I am excited to share that we are **changing our name from Eden to Autograph**. The Eden name was chosen 15 years ago to represent the start of something new. Over the years we have refined and established our approach, under our FoodFarm brand, offering high quality, healthy food children enjoy eating and our teams enjoy cooking. We work in partnership with our schools, parents and children, creating a tailored **signature** food offer, so Autograph is the perfect name for us!

We champion our fantastic **British and local farmers and suppliers** who work hard to provide us with high quality, seasonal produce!

MILES

All of our eggs are **free range** from happy chickens in British farms; all of our **meat** is **Halal** certified from Mullaco; we use some **Fairtrade certified** ingredients; and **only** use **sustainably sourced fish!**
