

## Savile Park Primary Sports Funding 2016 – 2017: PE and Sports Premium

### What is Primary Sports Funding?

The government gives extra funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money. For example, the funding can be used to:

- Hire specialist PE teachers
- Hire qualified sports coaches to work with teachers
- Provide existing staff with teaching resources to help them teach PE and sport
- Support and involve the least active children by running or extending school sports clubs.
- Run sport competitions or increase pupils' participation in the School Games
- Run sports activities with other schools

### How will we be spending the PE & Sports Funding and who will benefit?

The Governors at Savile Park Primary School agree that the money must be used so that:

- all children benefit regardless of sporting ability;
- staff have access to training opportunities and continued professional development;
- the sports curriculum across the school is enhanced;
- initiatives will have a long lasting impact on the future learning and physical development of children within our school.

### What are we spending it on in 2017 -2018?

Initiative	Anticipated cost	Planned impact	Review to date
PE specialist will work with staff in PE lessons.	£5000	Children are receiving high quality PE lessons. Staff gaining valuable CPD from team teaching and observation. Children's enthusiasm for PE increases and they become more active.	Children have enjoyed working with the specialist and skills are improving across the curriculum. Staff report an increase in confidence when delivering lessons.
To replace and buy new equipment for PE lessons.	£3000	A range of resources purchased for encouraging & developing children's participation in a range of sporting activities.	New resources are being well used by specialists and staff alike.
Gym club at Diamonds Gym Club conducted by a specialist	£2220	Better provision, targeted directly at gifted and talented children (initially targeted at girls) and to offer wider opportunities to vulnerable children.	Children demonstrate improved balance, control, strength and flexibility. They have a sense of achievement and an increase in confidence. They have responded well to the strict behaviour guidelines set and have risen to meet high expectations.
