Dear Parents/Carers

### RE: Parking Outside School

Further to recent polite requests in the newsletters and via text messages, I have again been contacted by residents and parents surrounding both school sites about inconsiderate parking and dangerous driving. This has taken the form of blocking driveways, parking in inappropriate places and parking on the yellow zig-zag lines outside school. Today a driver mounted the pavement and continued to drive, narrowly missing three children who were walking on the pavement. Driving in this manner and parking in these places puts all our children at great risk.

Earlier this week I was also made aware of adults arguing and swearing about parking on the pavements immediately outside school. Some local residents have contacted school saying they have been verbally abused by adults dropping and collecting children from Savile Park. School has contacted our local PSCO to make them aware of the issues regarding parking outside both the Moorfield and Heath sites.

I know that many of you will read this and be shocked and disheartened, as you always park appropriately and with consideration for others. If you witness any actions outside school that concern you please can I ask that you report it to the police using the 101 number.

Thank you for your support and co-operation.

Yours sincerely
