

In Literacy we will:

- be segmenting and blending cvcc and ccvc words such as tent, bump, spin and flat.
- use our detective skills to answer questions about what we have read.
- focus on using finger spaces between words.
- remember to use a capital letter at the beginning of our writing and a full stop at the end.
- practise the cursive letters in our names.
- write a story to show our new teachers.

In Maths we will:

- count groups of objects in 2, 5 and 10.
- find one more and one less than numbers to 20 and write number sentences for them.
- read number sentence and make representations of it using objects.
- practise our skills in addition and subtraction.
- practise adding by holding the first number in our head and counting on.
- measure a range of objects in standard and nonstandard units.
- start to count beyond 20 up to 100.
- share groups of objects.
- double numbers to 10.

When learning about the world we will:

- look at new life and new life in the world.
- go to the farm and learn what farmers have to do.
- be brave and try new things such as holding animals and collecting eggs.
- see how the seasons change on a farm
- learn about baby animals and their mothers and what their mothers need to do to look after them.

Summer 2 Learning in Reception:

Amazing animals!

Homework will be sent out on a Friday, please return by the following Wednesday.

As members of our community we will:

- take part in transition and meet our new teacher.
- have a school picnic on the moor and meet new friends.
- meet the new Reception children and be good friends and role models to them.
- look at different jobs people do and what they have to do.

In Art and Design we will

- be able to plan what to make.
- follow a design when creating a model.
- carefully select the materials we need to make the model look as we want it to.
- be confident with colour mixing.
- create representations of animals we have seen and are learning about.

In PE we will:

- learn how to make small games.
- learn how to follow the rules of games involving equipment.
- learn how to take part in a competition.
- learn about the different uses of the equipment we have got.
- develop our skills of controlling equipment when we are on the move such as a tennis ball on a racket or a football being controlled with our feet.
- develop our aiming skills so we can be accurate with a small target.

As musicians we will:

- Use Sing Up and Music Express to learn, practise and rehearse songs linked to our topics
- Learn about musical instruments and how they can be played in different ways
