## Autumn 2 Learning in Reception:

### Seasons and Celebrations!

Homework will be sent out on a Friday, please return by the following Wednesday.

### As members of our community we will:

- learn about different celebrations which will be happening in our community.
- develop the friendships we have created.
- meet new members of staff and learn how we introduce ourselves.
- Learn how we behave when we leave the school grounds.

### In PE we will:

- practise dressing and undressing by ourselves.
- learn how to safely use PE equipment.
- learn how to stop when we have been running or moving quickly with equipment.
- learn how to move over, under and round equipment with control and confidence.
- learn how to control equipment such as bats and balls.

### In Maths we will:

- practise reciting numbers to 20
- learn to find the correct number of objects
- order numbers to 20.
- compare numbers to 20
- recognise and begin to talk about 2D and 3D shapes.
- begin to use positional language.
- start to explore capacity.
- begin to look at coins and their value.
- match the spoken number to the written number.
- Begin to find 1 more and 1 less

### In Music we will:

- be singing familiar songs and Nursery Rhymes.
- learn about rhythm and a beat.
- learn new songs linked to our topics.
- investigate different instruments and how they are used.

### When learning about the world we will:

- learn about religious celebrations which are happening.
- learn about Remembrance Day and why it is important.
- learn about bonfire night, when it happened and what people do on bonfire night.
- look at the changes between seasons from Autumn to Winter.

### In Art and Design we will:

- be using different materials to create pictures.
- learning how to access the areas independently and how to change our equipment.
- be creating different pieces of art work linked to our topics using a range of media.
