

Autumn 1 Learning in Year 5

Ancient Greece

Miss Fretwell

Homework

Homework in Year 5 is given out every Wednesday, to be returned by the following Monday.

As readers and authors we will be:

- studying quest stories including myths from Ancient Greece and Ice Palace by Robert Swindells. Following on from this, we will be writing our own setting descriptions, creating our own mythical beasts and writing a quest myth.

As mathematicians we will be:

- reading, writing and ordering 6 digit numbers
- continuing to practise our written methods of calculation and mental strategies.
- developing understanding of negative numbers
- learning how to round numbers.

As linguists we will be:

- learning about French food, sports clothing and the verb 'avoir'. We will also learn how to express opinions

As historians we will be:

- travelling back in time to the Ancient Greek period.
- learning about how and why Greece became a powerful nation, the Olympics, Greek myths and gods and the legacy the Ancient Greeks have left us.

As athletes we will be:

- developing passing, dribbling and shooting in invasion games.
- Please make sure your child has their PE kit in school ready for their PE lessons

As scientists we will be:

- exploring the properties of different materials and learning how to plan a scientific investigation.

As musicians we will:

- begin to learn the ukulele with a specialist music teacher, Mr Longlands.

As members of our community we will be:

- learning about special journeys and places in our Religious Education lessons.

As computing specialists we will:

- be learning how to code.
