

***As mathematicians we will be:***

- solving problems involving number, algebra, fractions, decimals, percentages and ratios
- focusing on 2d and 3d shape with links to volume and surface area using formulas.

***As readers and authors we will be:***

- continuing to explore the classic Scottish play 'Macbeth' by the famous play-write William Shakespeare and
- accessing the text through drama and role play and
- developing narrative skills with a focus on developing settings and characters.

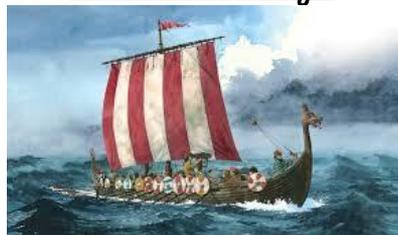

***As linguists we will be:***

- focusing on initiating and sustaining conversations and
- ensuring that we speak clearly and audibly with good pronunciation.

**Spring 1 Newsletter**  
**Year 6 Learning**  
**Theme Vikings**

***As members of our community we will be:***

- continuing to be good role models within school
- returning to our responsible jobs ensuring that the school day runs smoothly and
- acting as ambassadors at school events.

***As scientists we will be:***

- studying micro-organisms including identifying categories and looking at reasons for some common illnesses
- learning how micro-organisms cause decay and how they feed and grow and
- drawing conclusions using scientific knowledge and understanding.

***As gymnasts we will be:***

- studying and performing canon and synchronisation routines.

***As computing technicians we will be:***

- learning about creating and maintaining a blog
- understanding how to do this in a controlled and safe environment.

***As musicians we will be:***

- listening and appraising 'A New Year Carol' and other Britten's Friday Afternoons songs with their cover versions and
- learning about the dimensions of music.

***As historians we will be:***

- developing knowledge about the Vikings from the first Viking raids through to Edward the Confessor and
- developing historical enquiry into what the Vikings did for Britain including, treaties leading to co-existence and development of democracy and its links to today.

***As artists and designers we will be:***

- using card and other media to sculpture structures and
- creating and building a city.
