

Did you know!

School has to have information about you and your family.

What information do we have?

Some of the information we have is your name, address, date you were born and any allergies you have

Keeping your information safe

How do we use your information?

We use your information in lots of ways such as creating our registers, recording your attendance and assessing your progress

Why do we have your information?

So we can teach you and keep you safe in school
