# A Very Warm Welcome

Headteacher - Jane Boylan

On behalf of everyone at Savile Park Primary School, may I offer you and your child a very warm welcome. I am very proud to be the Headteacher of such a richly diverse primary school, in which families of different cultures and religions can all learn together. There is a lot to celebrate at Savile Park, we have two well-resourced spacious sites within attractive surroundings. Our school is a happy, stimulating and caring place where we expect achievement along with high standards of behaviour and manners.

Children get one chance at their education and at Savile Park we want this to be the best. We are committed to inclusive education and everyone is fully immersed in each and every child reaching their full potential. Please come and visit school for yourself and witness first-hand, our happy, excited and engaged children.

## “Nurturing a love for learning, life and one another”

### School Vision

At Savile Park Primary School we celebrate all pupils who are part of our school family. We aim to encourage their talents, abilities and experiences so that they achieve their full potential. We want each individual to grow in confidence, knowledge and awareness and we provide a happy, caring and stimulating atmosphere where they will enjoy learning, feel secure and involved. We endeavour to promote a love for learning, a love for life and a love for one another.

### A Love for Learning

We wish to inspire pupils' minds in a high quality learning environment. Pupils are encouraged to express themselves, ask questions and use their imagination. Learning is based on first-hand experiences whenever possible and the classroom extends to the local community and beyond. We equip our pupils with the skills and attitudes to cope with a rapidly changing society. The value of life-long learning is upheld and emphasised.

### A Love for Life

Life is precious and something to be cherished with each individual having something unique to offer. We help pupils understand the potential power of their own life, they are encouraged to maintain physical and mental well-being so that they can achieve this potential. We also want them to appreciate the richness and diversity of the world, developing a caring attitude so that they protect the environment in which we live. Pupils are encouraged to delight in their own, and other peoples', gifts and talents. Activities that develop spiritual awareness are regularly provided.

### A Love for One Another

We aim to maintain a school where everyone is respectful and considerate to one another regardless of race, culture, religion, gender or ability. Friendly and caring attitudes and actions towards people in our families, school, local community and the world beyond, are constantly encouraged. Courtesy and good behaviour through self-discipline is expected and positively reinforced.

## Our Buildings

We are a two form entry primary school, split across two sites; each building accommodating Reception to Year 6.

## Heath Site

Our Heath site is located in the beautiful grade 2 listed former grammar school building on Free School Lane. It has a number of exciting learning environments including a large library area, a wildlife garden and a versatile studio.

## Moorfield Site

Our Moorfield site is a purpose built facility opened in 2004, which provides a fantastic facility for learning. It benefits from a large computing/ library area, community room and from 2020 a new sensory/ breakout space.

Both of our sites provide opportunities to enhance and stimulate a love of learning outside the classroom environment. These are regularly used by classes, collaborating together, from both our sites.

**“Pupils develop a love of reading because teachers share well-chosen, quality books with them. Pupils have plenty of appealing books from which to choose.” (OFSTED 2019).**

Heath Site

Nurturing a love for learning, life and one another.

## Our Curriculum

At Savile Park School we pride ourselves on the fact that our pupils are inspired and supported to reach their full potential. Maths, English and Science form the core of our curriculum, however we give the highest priority to ensuring we provide a broad and rich curriculum including all of the other subjects.

Exciting topics are designed to make learning fun and personalised to meet the needs of our pupils. Learning experiences are enhanced through educational visits and visitors and specialist teachers.

## Sports & Extra Curricular Clubs & Activities

PE has an important place in the school day and the importance of exercise for a healthy lifestyle is one of the main aims of physical education at our school. A variety of after school clubs are provided by school staff and external providers.

We operate successful Breakfast Clubs at both of our sites. These provide a positive start to the school day through a healthy breakfast and a range of activities, incorporating learning and social development.

**“Leaders ensure that pupils receive a broad and balanced curriculum. Pupils develop considerable knowledge in a wide range of subjects.”**  
(OFSTED July 2019)

## Behaviour & Attitudes

Our pupils are proud of their school; they always speak with confidence about their achievements. We pride ourselves on our positive learning culture, our pupils respect diversity and understand how to treat everyone fairly. Provision for the spiritual, moral, social and cultural development of pupils is strong. This contributes to the maintenance of a safe, cohesive school community.

**“The behaviour of pupils is good.  
Pupils conduct themselves well in lessons.  
They are diligent, follow instructions and  
complete their tasks. Pupils are polite,  
well-mannered and they learn to be  
considerate of each other.”**

(OFSTED 2019)

## Our School Rules

- Follow instructions
- Keep hands, feet and objects to yourself
- Use positive language and actions

We have a highly supportive pastoral team who work tirelessly to ensure that the pupils personal development and emotional well-being is supported and nurtured. We regularly offer support to our families as we are committed to building strong and long lasting partnerships with parents and carers.

If you feel that Savile Park Primary school is the place for your child, then you will need to complete an online application form on the School Admissions section on the Calderdale Council website. Further details can be obtained from the School office at either site.
