

As Readers and Authors we will be:

- thinking about paragraphing in our writing
- looking at subordinate clauses and
- using a range of sentence openers, conjunctions (eg and, but, if) and punctuation that has been taught so far
- looking at fact files, fairy tales and European poetry and creating our own examples of each

Spring 2 Learning in Year 3 Europe

As Athletes we will be:

- practising our dribbling and ball skills
- learning new games that we can play in the playground using these skills

As Scientists we will be:

- looking at plants
- carrying out investigations and observations
- improving our range of scientific vocabulary
- developing our scientific thinking

As Mathematicians we will be:

- delving deeper into our understanding of number continuing to add, subtract, multiply and divide with greater ease and accuracy
- learning about fractions
- Begin looking at mass and capacity

As members of our community we will be:

- we will be looking at living a healthy lifestyle including activities making different recipes

As Musicians we will be:

- performing during poetry week
- learning how to perform together
- looking at how music is written
- looking at how lyrics are formed and
- putting all these together to produce a group performance

As linguists we will be:

- continuing to develop our fluency in the language covered so far
- learning some new phrases to help us ask questions and
- providing answers about ourselves in French

As Geographers and Historians we will be:

- looking at Europe
- understanding why people might want to visit Europe
- comparing and contrasting our lives and living conditions to those people who come from these countries.
- improving our atlas and map skills

As Artists and Designers we will be:

We will be linking seasonality and healthy eating. Designing our own healthy version of some European cuisine.
