

# Savile Park Primary

## Spring Learning

### in Year 4

#### As Readers and Authors we will be:

- reading a variety of texts including those linked to our topic of The Romans
- exploring biographies through research, planning drafting. We will then publish a biography about an influential Roman figure
- continuing to work on our text structure and organisation including writing paragraphs around a theme and the use of subheadings
- showing understanding of features of different genres
- using a range of fronted adverbials to express time

#### As Mathematicians we will be:

- calculating the perimeter of rectilinear shapes and regular polygons. We will be finding the missing lengths in shapes to help calculate the perimeter
- looking at fractions by counting and comparing fractions, converting and finding the equivalent

#### As Linguists we will be:

- continuing to increase our French vocabulary and
- learning how to use new phrases in different situations

#### As Historians and Geographers we will be:

- learning about where the Roman Empire began
- developing research skills to find out about Julius Caesar and what Roman Soldiers wore and why
- looking at the Roman invasion of Britain and
- gaining a better chronological understanding of the Romans

#### As Members of our Community we will be:

As part of our PSHE lessons we will be focussing on our topic 'Healthy me'. We will discuss what a healthy lifestyle looks like, both physically and mentally.

#### As Artists and Designers we will be:

- we will be researching, designing and creating torches in our design and technology unit.
- helping make a working switch
- we will identify electrical products and explain their uses
- we will be looking at the features of a torch and how it works

#### As Athletes we will be:

- working on our creative skills whilst focussing on our movement skills; sending and receiving and counter balance with a partner. We will be incorporating some football skills in PE
- we will continue swimming once a week at Sowerby Bridge swimming pool

#### As Scientists we will be:

Celebrating science week and looking at how traffic contributes to dirtier air.

We will also start our topic on teeth and the digestive system including how we chew our food and where it goes once we have swallowed it.

#### As Musicians we will be:

- appreciating soul and gospel music
- we will be exploring rhythm and tempo whilst learning to sing Lean on Me
