Dear Parent/Carers

School Costings – June 2023

Unfortunately, over the last couple of years School has seen increases in nearly all of its costs, whether these be staffing, energy, costs of food or resources.

Whilst we are acutely aware that these rises are not limited solely to schools, and are affecting everybody in some way, the School budget is no longer in a position to be able to absorb all these increases any further.

Therefore, we have taken the difficult decision to increase the following costs from **Monday June 5th**.

School Dinners – will rise from £2.30 up to £2.50 per meal.

Early Birds – will rise from £3.00 to £4.00 per session.

Late Larks – will rise from £6.00 to £8.00 per session (additional sibling rate will rise from £3.00 to £4.00).

Furthermore, we are also no longer in a position to be able to fully subsidise the cost of the wrap around provision for Pupil Premium pupils. Going forward these pupils will now be charged £2 per session.

Whilst I appreciate, the decisions are disappointing; please be assured that they have not been taken lightly. I am extremely grateful for your support and co-operation in providing prompt payment when payment texts are sent out.

We are a registered childcare provider and you can sign up to receive tax-free childcare by creating a childcare account – our regulator reference number to quote when registering is 107482.

If you wish to discuss any of the above further, please do not hesitate to contact me directly. Once again, thank you for your support and understanding.

Yours sincerely

RLaycock
