

Art Experience!

Throughout this week our children have been taking part in some creative lessons all about compassion for those in need, focussing on refugees. As a school we have all created some birds of compassion.

We are lucky enough to provide the opportunity for your child's work to be displayed in an exhibition! Please see details below, provided by The Artworks.

Some of our children were lucky enough to be selected to take part in a huge art project on the moor at Manor Heath. The children were able to take part in an art and craft activity, as well as help spray paint the grass to create some magnificent land art in order to support refugees.

I enjoyed making the feathers and spray painting because I got to use my imagination LOTS and I love using my imagination! -
Rees Year 2

Hot off the press - here is a link to a lovely 6 minute film about the whole project which you might like to share with your pupils and school community:

The exhibition of over 1200 paper birds made by so many people - including some of your students - is up at Artworks now and utterly heart-warming. See attached image.

It's on at Artworks every day this week including Saturday from 1pm – 4pm. HX3 9ET. [Visit Us — Artworks](#)
