## JANUARY 2026

Happy New Year! I hope you have all had a restful and enjoyable break. It was lovely to welcome the children back into school last week. We are looking forward to a positive and productive year ahead. It may be a shorter term but I know it will be very busy with a great range of fun learning opportunities for the children to participate in.

### Winter Fayre

It was great to see so many of our children and their families at our annual Winter Fayre. A tremendous thank you goes to our PTFA who successfully organised and ran this event.

This was a fantastic event. Thank you for all your support to make this possible.

### Winter Weather

The winter weather has certainly been a challenge over the past few days and this pattern looks set to continue going into next week. School really appreciates how important communication is and we always try to share any updates in a timely manner. Communication will be shared on Facebook, the school website and through the 'Teachers 2 Parents' app.

Please can we ask that you ensure that your child comes to school wearing suitable clothing and footwear for the weather.

### Would you like to become a Parent Governor at Savile Park Primary School?

Our Governing Body currently has a vacancy for a Parent Governor to serve for a period of up to 4 years. Joining the Governing Body as a Parent Governor offers you the opportunity to make a real contribution to the life and work of your child's school.

If you are interested in fulfilling this exciting role, please look out for further correspondence about how you can nominate yourself to be considered for this position.

## Overgate Hospice Elf Dash

On Friday 19<sup>th</sup> December we all met on the Moor and had an amazing time walking together to help raise awareness and money for Overgate Hospice. We were extremely lucky to have a very special visitor, who joined us without his reindeer but riding a motorbike instead. The drivers who witnessed this event seemed very bemused but entered into the spirit!
