

As readers and authors we will be:

- Reading the Journey to the River Sea by Eva Ibbotson!
- Writing our own information texts about Lizards!
- Writing a Setting Description using our focus texts!

As mathematicians we will be:

- learning written methods of calculation for multiplication and division and
- developing our skills with fractions, decimals and percentages

It's really important that children have fluent recall of their multiplication tables for these topics. Please continue to practise regularly at home.

As linguists we will be:

- learning how to discuss hobbies
- the weather and
- months and numbers in French

As members of our community we will be:

- Learning about codes for living and how they affect people of faith

Savile Park Primary

Spring 1

Learning In Year 5

Our main topic is Rainforests!

Homework

Homework in Year 5 is given out every Monday, to be returned by the following Monday. Reading books will be changed on Monday and Friday. Children are also welcome to choose books from the classroom to take home to read as well. Please make sure reading records are signed 3 x each week. Thank you!

As artists we will be:

- drawing cartoons in the style of the children's author, Tony Ross whilst creating pop-up books.

As sports stars we will be:

- developing our gymnastic skills

As musicians we will be:

Looking at blues music and creating our own piece of music.

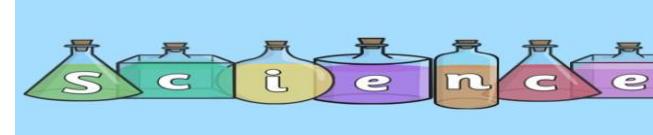

As computing specialists we will be:

- Learning how to use a Database!

As scientists we will be:

- learning about space!
- All about the moon and night and day!

As geographers we will be:

- Continuing our learning about the rainforest!
