

Savile Park Primary School September Newsletter

We are on the web: savileparkprimary.org.uk – Facebook: Savile Park Primary School - Moorfield and Heath.

A very warm welcome back. It's been lovely catching up with parents/carers after the holidays. The children already seem to be back into the school routine and are working hard. Our Reception classes (Robins and Wrens) have settled very well and it is lovely to observe them making friends. Our core values – Care, Creativity, Community, Commitment and Challenge continue to shape school life. We strive for all the children to be the best they can be, feel safe and supported and know they belong here at Savile Park.

As many of you will be aware, new legislation is in place, known as 'Benedict's Law'. This aims to support children who suffer with allergies. The new policy is available on our school website and all staff received allergy awareness training at the start of September. Please can we ask that you help support this by remembering that we are a nut free school.

Early Birds Breakfast Club

Breakfast club is run out of the Heath site and we transport the Moorfield children to their classroom ready for the start of the school day.

Breakfast club runs from 7.45am until the start of school at a cost of £5.00 a session with breakfast included and £3.00 for pupil premium pupils.

We offer a wide range of activities including football, go noodle, homework help, reading support, Lego, arts and crafts.

Breakfast is the most important meal of the day. We try to ensure our children's needs are met first thing in the morning, by providing the following options: toast with various toppings, cereals, croissants, waffles, pancakes, juices and water.

Children are asked what they would like to eat and where possible, we try to accommodate. We open at 7.45 and serve for a full half an hour before clearing down for activities. Hope to see you all there.

If you would like to take advantage of this provision, which are fluid to accommodate your needs, please contact the school

NO NUTS OR NUT PRODUCTS ALLOWED IN SCHOOL

Food Allergies

We have children in school at both sites who suffer from severe allergies to nuts.

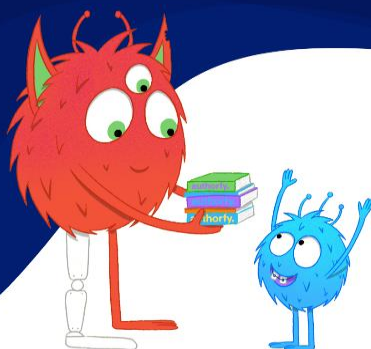

We are already a nut free school and would ask that nuts are not brought into school in any form which includes such things as Nutella and nut bars.

Year 6 Residential

Year 6 are eagerly looking forward to their upcoming residential trip to Robinwood, an exciting experience that has become a much-anticipated highlight of the school calendar. The trip provides children with the opportunity to take part in a wide range of adventurous and challenging activities, helping them to develop confidence, resilience, teamwork and independence.

Bookdrop Newsletter

Created in partnership with UK's children's publishers and the Open University Reading for Pleasure team, Bookdrop is a FREE half-termly digital newsletter that's perfect for sharing with parents, teachers and librarians to support reading for pleasure in school and at home.

PE Information

Just a reminder, like last year, Reception, Year 1 and Year 2 will need to bring their PE kit in a bag with them on their PE day so they can get changed in school. Years 3, 4, 5 and 6 can still come to school wearing their PE kit when it is their PE day. Please can we remind you that the children need to wear the following for PE lessons in school: a plain white t-shirt, dark shorts or jogging bottoms and dark coloured trainers.

Please find below your child's PE timetable

Heath Site

Mondays: Puffins, Falcons

Tuesdays: Kiwis (swimming), Hummingbirds, Hawks, Toucans

Wednesdays: Kiwis, Hawks

Thursdays: Wrens, Falcons, Hummingbirds

Fridays: Toucans, Puffins

Moorfield Site

Mondays: Parrots, Eagles

Tuesdays: Kookaburras (swimming), Kestrels, Pelicans

Wednesdays: Kingfishers, Kestrels

Thursdays: Eagles, Robins, Parrots, Pelicans

Fridays: Kingfishers, Kookaburras

Year 6 Marsden Visit

On Monday 7 and Thursday 10 September, Year 6 took part in an educational visit to the River Colne in Marsden. This informative visit is part of their geography topic which is focused on Rivers.

The children completed field work activities such as identifying the geographical features of a river, as well as measuring the depth and flow rate.

Year 3 Stone Age

On Tuesday 8 September, Year 3, spent the day having a talk by a lady known as the "Stone Age Woman". She got into character by dressing up and then told stories of the stone-age. She also brought some artefacts for the children to view and clothing for the children to dress up in.

We are pleased to be offering a series of online maths workshops for parents/carers of children in Years 1 & 2 and Years 3 to 6. These sessions are designed to provide an insight into how maths is taught across each key stage and to help families feel more confident in supporting their child's learning at home.

Everyone welcome.

September Events

21.09.2026 – KS2 Maths workshop for parents and carers 3.15pm online

23.09.2026 to 25.09.2026 Year 6 residential stay to Robinwood Activity Centre, Dobroyd Castle.

- 23.10.2026 – Year 2 visit to Shibden Hall
- 23.10.2026 – School closes for Half Term 3.15pm

Savile Park PTFA

Last year, our fantastic PTFA organised a wide range of enjoyable and highly successful events that brought our school community together and helped raise valuable funds to support our children's learning and experiences. Their hard work, enthusiasm and dedication made a real difference to the school. We are incredibly grateful for the time and effort they give throughout the year.

As the PTFA continues to plan exciting events and initiatives, they would warmly welcome some additional volunteers to join their team. Whether you can offer regular support or just help occasionally at specific events, any contribution would be greatly appreciated. Volunteering is a wonderful way to meet other parents. If you have some free time and would be interested in getting involved, please contact the school.

Change your story

Storytelling routines made simple

**Tried and
tested tips**

Sharing stories together is a great way to have fun with your child, learn new words and build their confidence. Here are some tips to help make story time an exciting part of your child's routine.

You know your child best so **pick the ideas that feel right for you.**

How do we choose a story?

Let your child choose a story about something they love - this could be diggers, dinosaurs, caterpillars, or something else! Try visiting your local library to borrow books for free.

When should we share stories?

Anytime! Choose a time that feels easiest - before a nap, after nursery, school or at bedtime.

In partnership with

**GO
ALL
IN.**

National
Year of
Reading
2026

Where should we share stories?

Anywhere! At home or out and about. Share stories under a table, on the bus or at the park.

Who should we share stories with?

Each other! Your child might also enjoy reading to a relative, pet or their favourite teddy.

Make stories fun!

Let your
child take
the lead.

Talk about
the pictures
together, you
don't have to
read all the
words.

Add actions
or move
like the
characters.

Use
different
voices.

Make stories part of everyday life

Keep books within easy reach so your child can choose them anytime.

Talk about stories you've enjoyed, from books, magazines or audiobooks.

Join free activities at the library.

Read favourite stories again if your child wants to. Repetition helps them join in, and remember what comes next.

Make story time part of other activities. Try looking at a book on the bus or in your pyjamas at bedtime.

As your child learns to read, keep sharing stories together just for fun. It supports their confidence, imagination and your bond with your child.

The National Literacy Trust is a registered charity no. 119280 (England and Wales) and SC042944 (Scotland).
