

SAVILE PARK PRIMARY SCHOOL

OCTOBER 2026 NEWSLETTER

WORLD MENTAL HEALTH DAY

This year, here at Savile Park we will be standing together on World Mental Health Day (Friday 9 October). We will be brightening up the school by wearing yellow and fundraising for Young Minds to show our young people they are not alone. We hope that everyone will be 'Wearing it Loud and Wearing it Proud' together.

SCHOOL COUNCIL

All our classes from year 2 to year 6 have now elected their school class council members. All the children are eager to get going and they have already shared some great ideas with their class teachers. The first meeting will be a very interesting one and we are sure that all members will quickly make a very positive impact quickly.

KS1 AND KS2 MATHS EVENT

Following our Key Stage 1 and Key Stage 2 parent events, we hope that those who took advantage of them found them useful and they have given you the opportunity and confidence to support your children on their maths journey.

ROBINWOOD

Wow, what an amazing start to our year in year 6 for Hawks and Eagles! We are so proud of all the children for their resilience, bravery, positivity and independence during our residential to Robinwood. Pupils experienced a range of challenging activities such as: caving, canoeing, the giant swing, piranha pool, nightline, raft building, zip wire, trapeze and many more. They also worked together successfully to complete lots of team challenges such as quest and crate challenge. There were quizzes and games during the evening too. Absolutely everyone fully immersed themselves into every part of the three days and gained such important life skills including friendship, being independent and considerate of others. We cannot wait to see pupils showing their new found maturity, perseverance and resilience during day-to-day life in year 6.

Robinwood = completed it!

LITTLE STARS STORY

We have decided that our Winter Performance this year for Reception and Key Stage 1 classes will be "Little Star's Story".

We will shortly be starting to practice and I am sure you will soon get to learn some of the songs!

The performances will be:

Monday 14th December 2.30pm - Reception and Year 1 Winter Performance at Moorfield Street.

Wednesday 16th December - Year 2 Nativity - 10am and 2.30pm

RECEPTION CLASSES

As part of their 'People who help us' topic, reception children are having a visit from the police and fire service this month!

The memorable visits will provide a valuable insight into the role of the emergency services while inspiring the children to think about how they too can help others in their community.

Hopefully, a highlight of the visit will be dressing up in the uniform, giving the children a hands-on experience and plenty of fun. Seeing themselves as mini police officers and firefighters will add an extra layer of excitement to the days.

It's a great way to start the day by being on time every time.
School starts at 8.45 am

RECEPTION INTAKE SEPTEMBER 2027

If you know anyone who is looking for a school starter place in September 2027 please encourage them to come and see us!

We will be having two open days for prospective families to come and look round both the Heath and Moorfield sites.

More information to follow.

PLAYTIME

As the weather is starting to get colder and more unpredictable, please could we ask that the children have suitable coats and footwear in school every day. Also, it would be really helpful if the items had their name in. Thank you for your support.

MOORFIELD PARKING

A reminder that as part of the Safer School Street Scheme, Moorfield Street is closed to all vehicles unless a blue badge is displayed between 8:30-9:00 and 14:45-15:30 daily, to keep our children safe. Please can we ask that, even if there is not a member of staff there, you park on the moor and walk into school.

HEATH PARKING

Parking in and around the Heath site. Please can we remind you again about the following:

- not parking in the top car park (unless you are displaying a valid disabled badge).
- parking considerably eg not blocking resident's driveways ie Charnock Close (we have had complaints from residents) and not stopping on the yellow hatchings.
- ensuring that engines are switched off when parked to ensure our children are not being exposed to unnecessary exhaust fumes.
